

8 June 2017

To the members of the Town of Lincoln's Municipal Heritage Committee,

As mentioned at the conclusion of our previous meeting on 11 May 2017, my family and I have sold our house in Beamsville and are moving to Quebec on the 12th of July, just before the next MHC meeting. I had hoped to make it out to this month's meeting to make it my final one, however my wife's travel schedule has been full and won't be home until Friday night.

Considering I won't be leaving the province until July, I hope I can still be effective during the remaining few weeks and accessible should a working meeting or followup meeting be scheduled before I leave. So if it benefits the committee, then please accept this as my resignation from the Municipal Heritage Committee effective 12 July 2017. However if it's easier to begin filling my position now, then I am prepared to resign today.

Over the past few years I've learned a lot about the Town of Lincoln and it's Heritage assets. It's been a great honour serving as a member on this committee with all of you. I'm thankful to have been selected to join this team and very happy that I was able to contribute to helping preserve and promote heritage within the Town of Lincoln. I look forward to coming back to the town in a few years and seeing all the hard work this committee has made with new signage and designation plaques along with preserving the vital properties this town has to protect.

Thank you again for this opportunity, and I wish you all the best of luck moving forward with Heritage in Lincoln.

Sincerely yours,
